			8200:447	Nursing Leadership Engagement	2
		12			13

Seventh Semester		
		Credits
8200:415	Complex Care	3
8200:448	Nursing Capstone	3
	Global Diversity	3
	Humanities- Art	3
		12

Bachelor of Science Degree Awarded      Total Hours: 120

\* A total of 36 credits of by-pass credits upon successful completion

- A) Student should take MATH 1410 Elementary Probability & Statistics to meet both ADN and BSN requirements
- B) A chemistry class is a required pre-admission class for admittance into The University of Akron's RN/BSN program

This Transfer Pathway is an example of how to complete an associate and bachelor degree. Students should work closely with advisors to explore options. Students should work with a Tri-C advisor to identify ADN requirements. Advisors also assist students with developing a graduation plan for full- or part-time students at The University of Akron.

Students must complete:
